

## **“Honeywine”—New Twin Cities-based Americana Band Premieres at the Celtic Junction Arts Center, May 2019**

St. Paul, MN—June 2019

### **FOR IMMEDIATE RELEASE:**

HONEYWINE. Pure, sweet trio singing with a real Americana sound.

In 2018, lyricist Jim Robinson and composer Dennis Curley teamed up to create more than a dozen songs for a new vocal-centered country band inspired in part by the 1980s *Trio* projects of Linda Ronstadt, Dolly Parton and Emmylou Harris. Featuring vocalists Curley (*Country Roads: The Music of John Denver*), Dorian Chalmers (*Church Basement Ladies*) and Becky Schlegel (*Prairie Home Companion*; multiple Minnesota Music Awards recipient) plus a six-piece band made up of the Twin Cities’ finest players, HONEYWINE’s first CD *Gods Among Us* is an inspired and inspiring collection of songs and stories that explore love, loss and faith from often surprising angles.

HONEYWINE gave its first two public performances in May of 2019 at the Celtic Junction Arts Center in St. Paul. *Gods Among Us* was recorded over those two evenings, and the excitement in the audience was palpable. The CD is available on iTunes, CDBaby.com, and the band’s own website, and a second album is already in the works.
